

OZZ Hood Shield Bracket

Upgrade your vehicle with this versatile A-pillar bracket, designed to fit most vehicle hoods and provide a secure mounting point for auxiliary lights in the ditch light position. Supplied in pairs, it is ideal for smaller lamps such as the 3" SQR or compact OZZ LED bars. The bracket clamps securely to both the upper and lower edges of the hood and features rubber gaskets to protect the paintwork. Installation is quick and easy using an M8 bolt from above, and it is fully compatible with OZZ mounting systems.
