

OZZ XR3 P9" 65

The OZZ XR3 P9" 65 retains the powerful specifications of previous models XR2 P9" and XR3 P9" but also features a powerful E-approved amber warning light, adding a layer of functionality for professional and safety-conscious drivers. The boost function of this driving light provides an intense 10,600 lumens, achieving 1 lux at up to 680 meters, making it ideal for long-range visibility on dark roads or challenging off-road adventures. It's also equipped with OZZ's signature dual dynamic position light in white and amber. With a color temperature of 5000 K, the XR3 P9" 65 emits a clear, powerful light that enhances visibility even in the darkest of places!
